KEEPING SCORE

Ten points in every hand. The numbers above are what each card is worth.

Made your bid? Score everything you took. **Missed it?** Lose the full bid.

The other team always scores what it took.

Shoot the moon: all ten points for +20, or −20.

Both past 31 in one hand? The bidding team wins.

Nobody around to play?
Pitch 31 on iPhone and iPad. Your partner's always ready.
